

# fLip fLOP DOOR DECOR

## Supplies included:

Piece of rope 42 inches long  
2 colorful flip flops  
1 white flip flop  
Silk daisy and leaves  
Adhesive vinyl words  
LIVE LAUGH RELAX

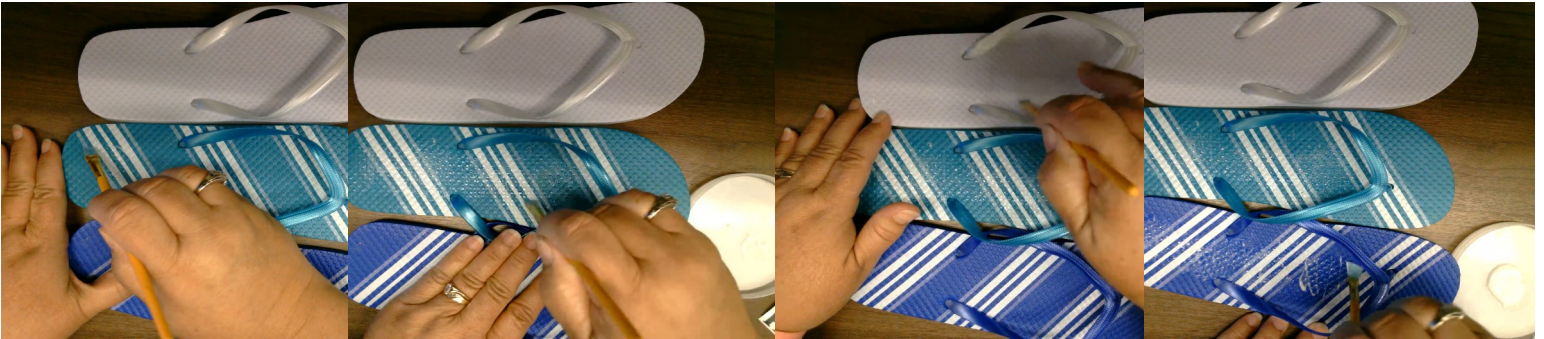

## Additional supplies needed:

White school glue  
Small paint brush  
Hot glue gun  
Hot glue sticks

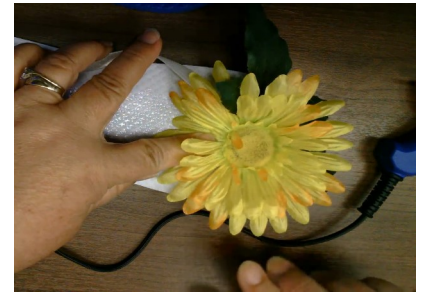

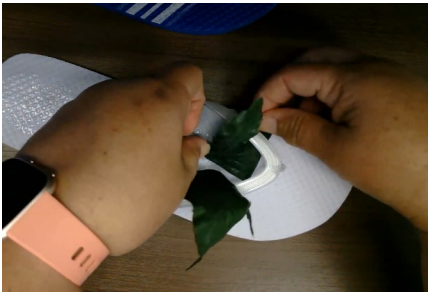

## Step 1

Coat flip flops with white school glue from heel to strap between toe using a small paint brush. *This will help adhesive vinyl letters attach to flip flops in Step 5.*

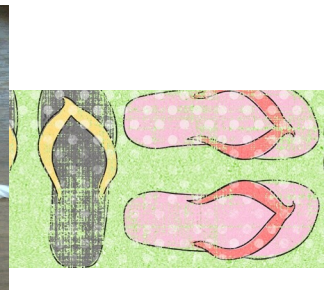

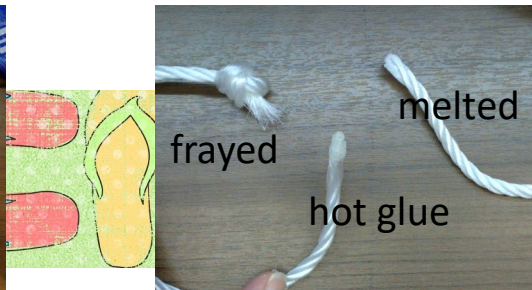

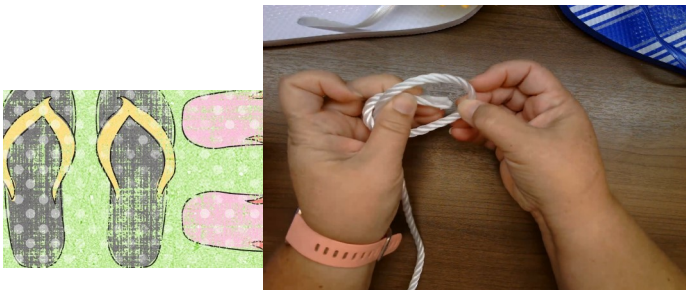

## Step 2

Add leaves and daisy to strap between toe on white flip flop using hot glue gun and sticks.

## Step 3

Tie knots at ends of rope. *I used a lighter to melt ends of rope. You can also add hot glue to ends—careful not to burn your fingers! Or just go with a frayed look at end of rope.*

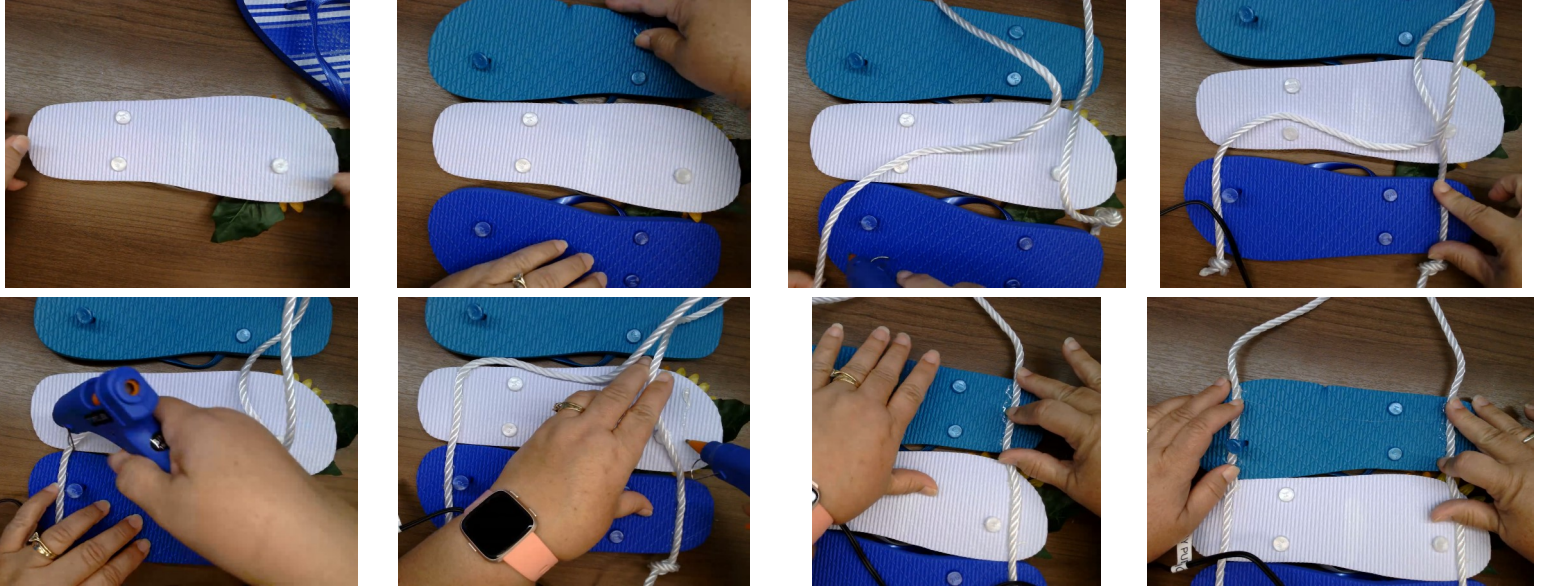

### Step 4

Arrange flip flops with white one in middle with bottoms facing up. Alternate direction of flip flop toes. Hot glue rope to flip flops about an inch from heel or toe of flip flop and knot hanging over edge. Do this for both sides of door décor. Add as much hot glue as you need to secure rope to flip flops. *This is the back of your door décor so it won't be seen!*

### Step 5

Turn over flip flop sign and add words to top of flip flops. *It's okay if glue is still tacky. It helps to keep letters attached!*
