

# Folded Book Turkey

## Supplies included:

- Half of a hardcover book
- 10 Silk fall leaves
- 2 Self-adhesive googly eyes
- 1 Yellow paper beak
- 1 Red paper wattle
- 1 Yellow paper half oval
- 1 Brown paper turkey head

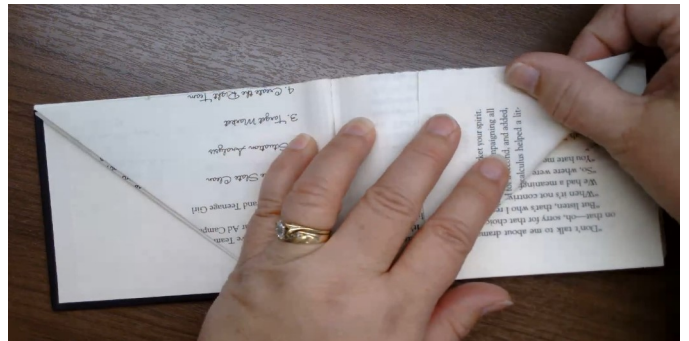

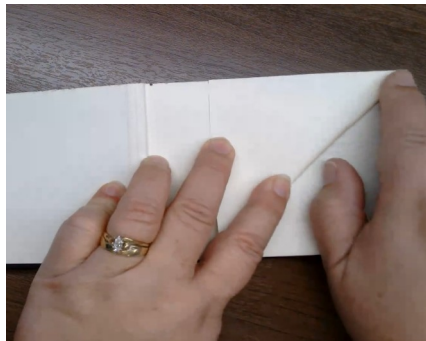

## Additional supplies needed:

- Glue stick
- Hot glue gun & hot glue sticks

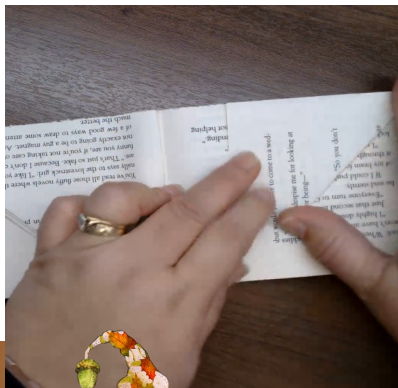

## Step 1

With nice edge of book closest to you, open book. Fold right lower corner of page to top of book so that right edge of page aligns with top of book (cut edge of book).

## Step 2

Turn page and continue until all pages of book are folded.

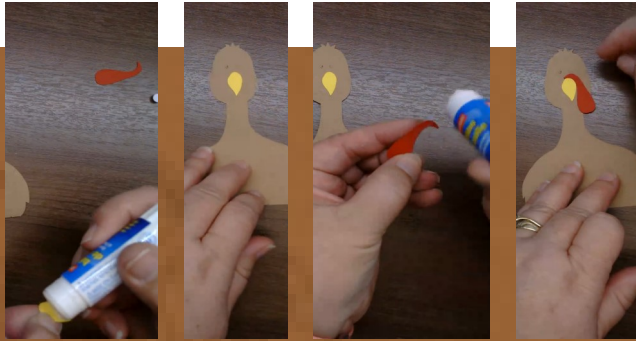

Craft instructions created by Stephanie Coil,

Way Public Library, Perrysburg, Ohio

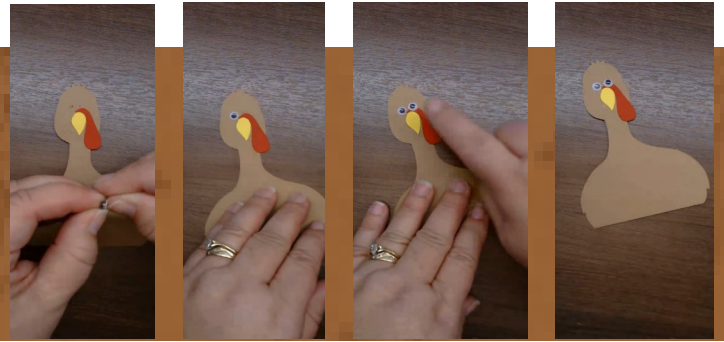

### Step 3

Using a glue stick, attach beak to turkey head. Then add glue to skinny part of wattle and attach above beak.

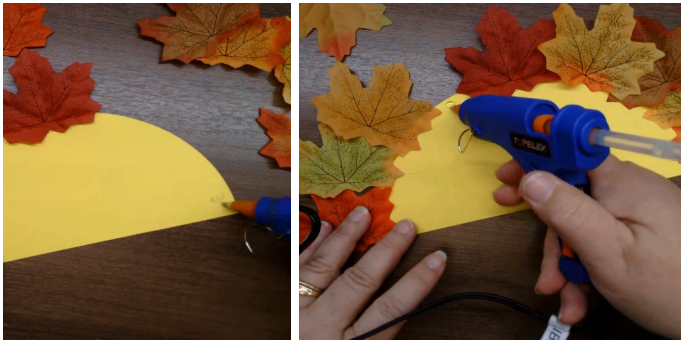

### Step 4

Attach both googly eyes by removing paper backing from eyes to expose adhesive then add to turkey head.

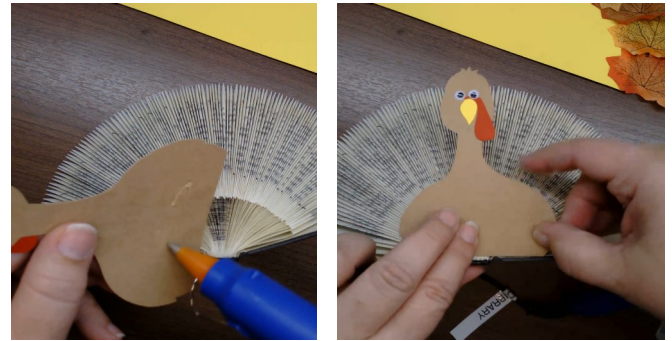

### Step 5

Hot glue silk fall leaves to yellow half oval around edge of curve.

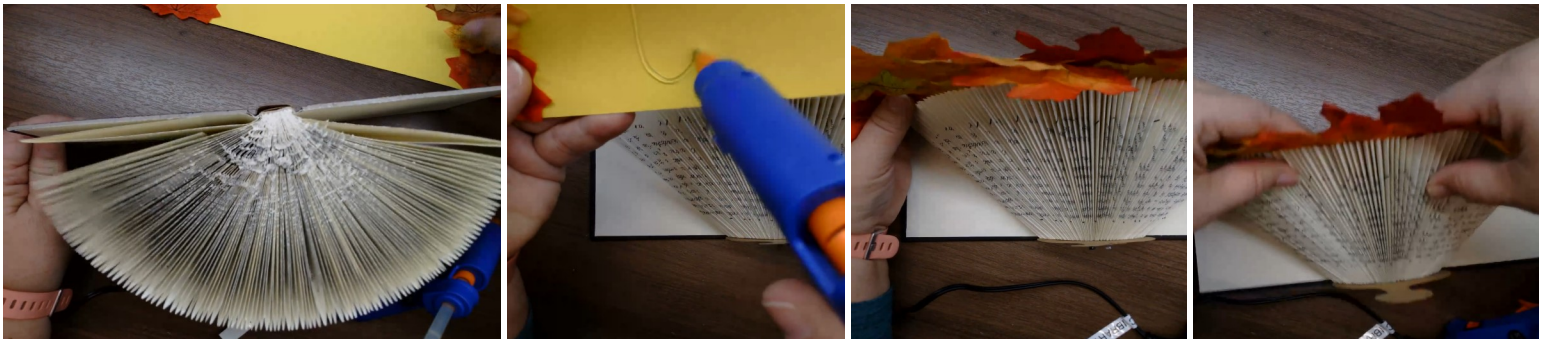

### Step 6

Hot glue turkey head to pages where nice edge is located.

### Step 7

Hot glue yellow half oval to cut edge of book, making sure leaves are visible when book is sitting flat.
