Supplies included:

Empty Toilet Paper Roll
6 yards of 2 different yarn colors

Additional supplies needed:

Ruler
Pencil
Scissors
Tissue

Step 1

Measure and mark empty toilet paper roll in 3/4 inch segments. (Markings will be at 3/4 inch, 1 1/2 inch, 2 1/4 inch, 3 inch, and 3 3/4 inch.) Then cut into six pieces.

Step 2

Cut the 6 yard pieces of yarn into 10 inch pieces. Make sure to leave one piece a little longer and set it aside for **Step 4**.

Step 3

Fold yarn pieces in half. Insert closed loop into center of ring. Fold loose ends over ring, insert into loop, and pull tight. Continue looping yarn around ring until completely filled.

Be creative while attaching the yarn! Attach the colors every other one OR two of one color then two of the other. It's up to you!

Step 4

Push long strands of yarn through center of ring. Wad a tissue and insert into ring opening. Use the longer piece of yarn mentioned in **Step 2** to tie a knot around the loose yarn strands and make a loop for hanging. The hanging loop is made by tying a knot at the end of the extra yarn piece. Place the two loose ends together. Wrap them around a finger to make a loop. Tuck ends into loop to form knot and tighten.

Step 5

Trim the loose ends of the yarn to make a cute pompom on the top of the hat.
