On Friday, June 24, Way Library celebrated Fiscal Officer Karen Brigode's retirement after serving at the library for 50 years! Our nation will be celebrating July 4th with fireworks and cookouts. We are also celebrating 5 years since the addition of our Beyond Books collection at Way Library in July 2017. Weekender Food Bags To Be Distributed at Way Library

The library is working with the Islamic Food Bank to provide bags of food to kids in need. The food will be supplied and packed by the food bank and distributed at the library once a week. Bags will be available on a first-come, first-served basis outside of the Mercy Family Activity Center in the library.

Distribution dates and times are:

- Friday, July 8, 2 pm
- Wednesday, July 13, 10 am
- Wednesday, July 20, 10 am
- Thursday, July 28, 2 pm

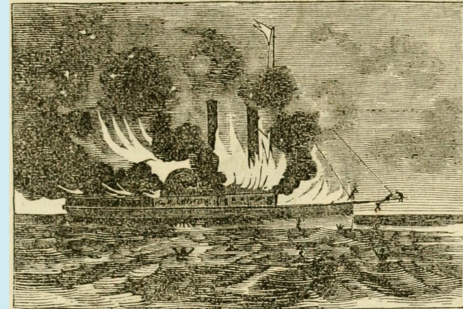

The Islamic Food Bank of Toledo was founded in 2008 under the umbrella of the Foundation of the Islamic Center of Greater Toledo by a group of Muslim community leaders. Feeding the hungry is integral to the Islamic faith and neighbors hold special significance. In 2014, Islamic Food Bank leadership started looking beyond the Muslim community to understand how it could play a larger role in eliminating food insecurity in northwest Ohio. There are many stakeholders working on the issue of food insecurity. Rather than duplicating efforts, the Food Bank's strategy is to look for gaps in food access and seek to

fill them by partnering with established organizations that already serve the community. In early 2022, the Islamic Food Bank officially opened its new warehouse at 1804 Monroe Street. Now with nearly 7500 square feet, this new facility has substantially expanded the Food Bank's capacity to deliver more food to more people in communities and neighborhoods across the region.

Our summer exhibit ***Pandemic Reflections: Creativity and COVID*** will be on display July 2 to August 28. Walk through the library's lower level to admire unique and beautiful work created during a time of great uncertainty.
