March 2022

waylibrary.info

[Visit our website](http://waylibrary.info)

We hope everyone had a chance to visit Downtown Perrysburg during Winterfest 2022 on Saturday, February 19. Way Public Library's commissioned ice sculpture was a preview of this year's summer reading program theme. (But we don't want to give it away just yet!!) Spring will be here before we know it! Then comes all the fun we offer at Way Public Library during those hot summer months. Until then, we look forward to seeing you in the library as the days get warmer and longer! ***"A good friend is like a four-leaf clover, hard to find and lucky to have." - Irish Proverb***

March's
Spice of the Month

Chinese Five Spice

Start your day with a delicious and Chinese five-spice powder may have originally been used medicinally to balance yin and yang. Five is considered to be a number associated with healing properties.

For cooking, the theory is that five-spice encompasses a balance of the main flavors, with interesting interplays between cool (yin) and warm (yang).

The ***Spice of the Month Club*** is a great way to try out new spices! Registered members will receive a sample packet of each month's spice, a recipe that features that spice, and a little bit of history about the spice. Each month's registration for ***Spice of the Month Club*** will open 2 weeks before the pick-up date which begins on the first Monday of that month. If you registered for March's Spice of the Month Chinese Five Spice, spice packet pick-up begins on Monday, March 7 at 9 am at the Circulation Desk. [Register here for April's Spice of the Month Lavender beginning on Monday, March 21.](#)

Baker's Way

Did you know March 29 is the 88th day of 2022 AND a piano has 88 keys? That's why World Piano Day will be celebrated on March 29 this year. World Piano Day was founded by a group of like-minded people who aimed to promote the development of music and to share the joy of playing the piano.

"It doesn't hurt to celebrate the piano and everything around it: performers, composers, piano builders, tuners, movers, and most importantly, the listener." - Nils Frahm, the German pianist, and composer who initiated World Piano Day in 2015.

Is there any better way to celebrate World Piano Day than to bake a piano cake while listening to your favorite composer? Way Library has the cake pan and CDs you will need to do just that!

See all the pans in our collection.
