

# Simple Birdseed Ornament

## Supplies

Birdseed	Coconut Oil
Glass Bowl	Measuring Cup
Tablespoon	Spatula
Cookie Sheet	Parchment Paper
Straw	Scissors
Ribbon	Large Cookie Cutters

## Step 1

Measure one cup of birdseed.

## Step 2

Measure two tablespoons of coconut oil and place into a large glass bowl. Microwave for 30 seconds to melt the oil.

### **Step 3**

Add birdseed to melted oil and stir until the birdseed is well coated.

### **Step 4**

With the cookie cutters placed on a cookie sheet covered with parchment paper, scoop the birdseed mixture into the cookie cutters and pat down.

### **Step 5**

Cut the straw into 2 inch segments. Insert the straw segment into the birdseed ornament. Place pan of birdseed ornaments in the refrigerator for an hour to set up.

## **Step 6**

After an hour, remove the birdseed ornaments from the refrigerator and gently release them from the cookie cutters. Remove the straw segments and add ribbons for hanging.

## **Step 7**

Hang in a tree near a window to enjoy the happy birds!
